President's Message

The Board is committed to maintaining the family friendly atmosphere that is the cornerstone of Round Hill's past and continued existence and success. The increase in membership the past several years has allowed the Club to improve the facilities and address several deferred maintenance items with more in the works. However, we recognize the downside if the pool is considered overcrowded.

Membership Numbers and Renewal Deadline: The number of families purchasing full memberships to Round Hill steadily increased from a recent low of 192 in 2013 to 281 by 2016, then shot up to 382 in 2017 and dropped slightly to 374 last year. For 2018, we stopped actively recruiting new members. Deciding whether and when to set a cutoff on new members for 2018 proved difficult as many existing members delay renewing their memberships until well into the summer. Without knowing how many members plan to renew, it is hard to decide whether the time is right to stop accepting new members. **The deadline for renewing memberships is April 15, 2019.** If you plan to renew, please make every effort to meet this deadline. If you do not renew by the deadline, at some point this summer, once the confirmed membership reaches approximately 350 full members, we will consider declining new members and may also decline renewals.

Family Atmosphere: We welcome and encourage cooking out and socializing at the pool. We understand that a key selling point of the club is the ability to bring your own food and drinks to the pool. If you are going to drink alcohol at the pool, please do so responsibly and mindful of the other families seeking to enjoy the pool and club. Remember that impressionable kids are almost always within sight and earshot at Round Hill. The Board is not inclined to ban adults from drinking in the pool and does not want to impose rules about drinking in the pool that are difficult to enforce and easy to forget. If you are going to drink in the pool, please consider doing so as discretely as possible and please avoid congregating in large numbers at the shallow end of the pool, including on the stairs, as that is where the smaller kids prefer to swim and play. We also request that members be mindful not to leave cans and cups sitting around the edge of the pool.

The Board has decided not to supply beer or soda for the late-night swim events. We have not reduced the Social chairs' budget and hope to find other options for entertaining the members on late night swims. Members remain free to bring their own drinks, the Snack Shack will sell soft-drinks and we hope to line-up food trucks that sell alcohol for those who do not bring their own drinks. If you have questions about the Boards' decision on this issue, feel free to direct them to me.

Volunteers: Keeping Round Hill affordable, depends on the commitment of members willing to volunteer their time. We are more of a self-serve than full service club. Volunteering for Spring and Fall cleanups or lending a hand to help with set-up, running and clean-up of social events is always welcome, but there are plenty of other opportunities to volunteer to improve the club. Feel free to ask me or any of the other board members what you can do to help. Or let us know if you have a project in mind for which you would like to take the lead.

If you have any questions or concerns about the direction or operation of the club, or improvement ideas, please give me a call. Work 913-549-4700 or cell 913-526-7396. My email address is kre@kcpatentlaw.com. **Kent Erickson, President**

Tennis Court Report

- Adult KC Tencap League sign-ups Feb. 14 – April 3. Matches begin May 1.
- KC Junior Tennis League sign-ups April 8 – May 18. Register online at kcjtl.org. 6-week season: June 3 – July 11 plus optional end of season tournament week July 15-19.

Let's hit the courts! Round Hill offers tennis for all levels in our programs by introducing new players to the life-time sport and recruiting new participants for our vibrant inter-club competitions.

JTL (Junior Tennis League): JTL at Round Hill Club continues to be an excellent opportunity to introduce your kids to tennis. Participants play organized matches against players at area clubs. All skill levels are welcome. JTL age groups are 10 & Under, 12 & Under and 13 & Up. Contact Lisa Erickson with questions, to volunteer as a team parent, or to help recruit players. We hope to have at least 8 players for each age group.

Tencap Adult League: Tencap is an inter-club doubles league in the KC metro area. Round Hill teams have been highly competitive over the years with both men's and women's teams at various levels during both the summer and fall seasons. Contact Kent Erickson for the men's teams and Lisa Erickson for the women's teams if you are interested.

Adult Casual Play: Ignoring the cold spring temperatures, you can already find groups heading to the courts! On Sundays, the men gather at 1:00 for pick-up tennis. And when the days get longer, you can also join in on Thursday night tennis for the men. The women play on Wednesday nights and Sunday mornings. The club also hosts mixed doubles tennis socials throughout the summer, as well as the annual Parent-Child doubles tournament on the 4th of July. Other plans include continuing the popular Saturday night Pickleball matches and providing necessary court amenity improvements. Keep an eye on the club website and Friday Email blasts for updated information on this summer's tennis opportunities.

Clinics: Returning this year are club Pros, **Kristin Wantland** and **Kirk Blinzler**. Kristin offers group, private and semi-private lessons for adults and kids. Kirk serves up adult cardio tennis as well as advanced beginner to intermediate clinics and early bird workouts. Check the club website for the latest information or contact them directly... POOL TIME!

It may not seem like **Summer of 2019** quite yet, but it's closer than you think. We've been busy since the first of the year making preparations. We're aiming to **open Friday, May 24th**, 11am to 9pm, and every day there after until mid-August when school starts. Stay tuned to your email, our **Instagram** account **@roundhillclub** and our private group page on **Facebook, Round Hill Bath & Tennis Club**.

We're having the pool sandblasted this spring with a fresh new paint coat smoothly skimmed in the entire pool area. It should feel nice on your feet and last us another decade or so. I'll be replanting the large pots, adding some new ones too, so if you're a gardener of sorts, let me know if you'd like to help. It can be a bit therapeutic. Text me at (913)707-9907. We've had several new lounge chaises arrive to replace the ones that have served us well over the last decade.

Nearly the entire staff is returning along with a few new lifeguards. Please welcome **Emily Lomshek, Faith Danaher, and Paige Ceule** to their new roles as **2019 Head Guards**. They'll be scheduling, mentoring & training new lifeguards, and overseeing our talented returning lifeguard staff to ensure your visit is safe and highly enjoyable. They'll also focus on working closely with the **Snack Shack** employees.

Swim Lessons and Swim Team forms and information are online at www.roundhillclub.org/forms or www.roundhillclub.org/pool. **Swim Lesson Instructors** this summer, are **Adam Jolles, Paige Ceule, and Caroline Seitz**. The **non-compete Swim Team Coaches** are both state champions within the epic Shawnee Mission East swimming programs, **Adam Jolles and Emily Lomshek**. You can pay online or mail in your registration to our PO Box.

The Snack Shack will have long time employee, **Lily Ogg**, at the helm, helping with scheduling and inventory as well as helping train the newest employees.

I'm really looking forward to seeing everyone again, as are the lifeguards and the Snack Shakers. It's been great seeing everyone around town in the off months, and like you, we're all itching for 80 degree days and bright sunny days. See you at the club!
